NATURAL CONNECTIONS WELLNESS CENTER • SPA • SALON • GIFTS

Natural Connections is only seven minutes from downtown

You may have already visited our newly expanded gift shop at our Wardsville Road location. For those customers who miss us at our downtown location, we apologize for the inconvenience and invite you to visit us at the Wellness Center. Going east on Hwy 50, take the Clark Street exit right. Stay on Clark til you get to the 4-way stop continuing straight, then one mile from the bridge on Wardsville Road.

We are also expanding into container gardening to include herbs and flowering plants. Please check our web site specials frequently. We will be offering sales and discounts found only on our web site. If you visit us online and register to receive our online newsletter and web specials, we will email you a coupon for \$10 off your next service or gift over \$50 as our gift for registering. www.naturalconnectionsspa.com

Reliv Nutritional Supplements

"It's been years since I've been able to take off weight and I've tried everything. While taking Reliv's Simplicity, I followed the system and I lost 8 pounds in the first month! Although I was still eating meals with my family, I felt satisfied with less food without even thinking about it. I just wasn't hungry." – Karen Windham, Defiance, MO

I had little to no energy, chronic pain and depression. I take Reliv Now, FibRestore and Innergize. I have more energy and a better outlook, when I begin my day, knowing my health is on the upward rise." – Jeanne Price, Roachport, MO

Call Dave or Gloria at Natural Connections for more information about Reliv Nutritional Products for wellness.
